

MR. ANVIL CONTESTANT QUESTIONNAIRE

“Let’s Play 50 Questions!”

This questionnaire is designed to help us get to know you better — your personality, your leather journey, and the fun details that make you *you*. Your answers may be shared with judges, emcees, and during onstage introductions, written bios, and/or social media features.

This is **not a quiz**. There are no right or wrong answers. You do **not** need to answer every question. If something doesn’t apply or you’d rather skip it, that’s perfectly fine.

Please keep answers public-friendly. Have fun and let your personality shine.
